The Never-Never Land Of Unification

Unification plans for North County schools, deadlocked for months by disagreement of the various school districts, are still as far from being resolved as ever.

With a deadline of September for submitting a plan to the state for unification, the augmented committee on North County Unification may take an "out" recently provided by the legislature and petition for a year's postponement, according to county committee deputy secretary Al Glantz, adding that "we should receive the necessary permission to extend on the Master Plan."

Glantz said that the petition will point out that all state requirements have been met in efforts to draw up a plan for unifying the Bayshore, Brisbane, Laguna Salada, Jefferson Elementary, and Jefferson Union High school districts, in some satisfactory configuration. Glantz said that the problems to be cited in the petition include a lack of clearly defined "communities of identity," outmoded boundary lines, and the heterogeneous social and economic make-up of the area.

Recommendation Due

At present, Glantz said, the last augmented meeting of the committee is tentatively scheduled for September 26. Unless the state accepts the county committee's petition, the recommendation for unification, as voted in that meeting, will be sent to the state for its acceptance or rejection.

The unification proposal which seems nearly certain to be the official recommendation, according to both Glantz and nearly everyone else, designates that all four elementary districts and the high school district become unified. This proposal has been accepted by the county committee and the Jefferson High School board, the latter maintaining that to recommend the dissolution of an historically aligned district over the heads of some 31,000 voters is not morally defensable.

Elementary Boards Object

All of the elementary school boards have voted against this configuration, basing their objections on the unequal financial abilities of the districts. Most of the objections have cited Pacifica's lack of industry, stating that to include Laguna Salada as part of the unified district would mean a rise in taxes for Daly City residents.

According to Mrs. Ruth Boudinot, Laguna Salada Elementary School board president, that district "would like to see itself unified when it is financially possible." She added that "if the present recommendation goes to the state I would like to see an intelligent appraisal of the situation go along with it."

"Unification at this time does not justify, or meet, the end it was designed to meet," Mrs. Boudinot concluded.

Bayshore board president Mrs. Garnet Robertson said that Bayshore had favored the status quo, adding that "the present set-up seems better than a unification of all five districts as proposed by the committee at the present time." Mrs. Robertson also said that the Bayshore board "Hasn't come up with anything we can propose."

Continuing Conflict

The current status of the unification problem seems to be a conflict between the high school board, wishing to keep all five districts in the unified configuration, and the elementary school boards, wishing to create several districts out of the north county.

This is, of course, predicated by several ifs. If the state accepts the petition to extend the deadline one year, a more agreeable solution may be found. If the boards find that the additional state grant will give them more money for education (even if they take in a poor district) they may decide to accept the current county committee's recommendation.

Possible Grant

A new law, designed to induce the unification of California school districts "so as to present a continuous educational program for grades K-12, and through grade 14 where possible," has recently been enacted in Sacramento.

This bill consists of a financial assist to unified districts, provided the district unifies in accordance with the county committee on unification's recommendations. This new addition to the Education Code designates that, for the first fiscal year of unified operation, the state will provide a 5 per cent increase to the monies received under the foundation program. At present the state guarantees $329 per pupil, according to average daily attendance statistics.

The amount of aid will then decrease by one per cent per year, thereby putting the school district back on its original assistance basis in its sixth year of unified operation. The amount of money will be determined by the total student population of the unified district.

According to JUHSD administrative assistant, Richard Coltrell, last year the high school district spent $638 per pupil. An expenditure of $671.82 per pupil is projected for this coming school year, Business Manager Fred Goodell said. He added that this figure does not include construction costs, food funds, site improvement, or recreation costs.

The 5 per cent increase would mean an approximate addition of $18.40 per pupil to the funds available to pay the costs of teaching and of school maintenance.

Whether a proposal for unification is made now, or at some later date, and accepted by the state department of education, local voters will make the final decision in an election.

Expect To Petition For DC Annex

Suburban Realty Co., owners of the 900-acre Christen Dairy Ranch near Daly City, have asked the San Mateo County Boundary Commission to approve the boundaries of their lands as a preliminary to a development of a $150,000,000 community.

The developers expect to petition for annexation to the City of Daly City, accordnig to Carl Gellert, president of Suburban Realty.

Maps submitted by officials of Suburban Realty have been referred to the county engineer for verification. The property is located just south of Daly City and is bounded by Junipero Serra Blvd. on the east and Skyline Blvd. on the west.

County Clerk John Bruning, secretary of the commission, said the request would be heard at the commission's Aug. 21 meeting. He explained that the commission only verifies the areas as to metes and bounds.

Notices of the meeting have been sent to the following cities whose boundaries lie adjacent to the Christen lands: South San Francisco, Colma, San Bruno, Pacifica and Daly City.

The property was purchased last November from Harry Christen by Suburban Realty, an organization composed of Carl and Fred Gellert, San Francisco builders, and the Crocker Land Co.

Officials of the firm announced their intention to build a fine residential community complete with single and multi-family dwellings, commercial areas, shopping centers, parks, schools and playgrounds.

For the past several months the developers have been surveying the property to determine its best use. A detailed development plan, undertaken by the planning division of Wilsey, Ham and Blair, has just been completed.

Mental Health Clinic Urged

The Daly City Council Monday night Aug. 12 took the following action:

Urged county supervisors to locate mental health facilities in north San Mateo County.

Chairman Frank Pacelli said he would like to set up some kind of out patient clinic or something on the local level.

Noted the filing with the county boundary commission a proposal to annex Christen Ranch Property to Daly City by Suburban Realty Company.

A representative of Suburban Realty is to appear at the Aug. 26 city council meeting at which time councilmen will answer any and all questions regarding annexation.

Approved business permits for P. Martire & Son, general contractor; Westlake Scofield Agency, employment; Hampton Janitorial Service; Century Metalcraft Corporation, Al's Television Service, Seymour's of Westlake, A & S Service Station, Burmont Construction Co. and Don Palmer (Paintings Retail).

Received notice of re-location of Mercy Ambulance service from 808 Higate to 380 Washington in Daly City.

Approved the appointment of Dino Tonelli, University of California graduate, Balboa High grad and husband of a former Jefferson High cheerleader, Elsie Belli, to the personnel board, in replacement of John Drye, who is retiring from the board.

Bandits Rob Local Market

Two bandits wearing baseball caps fled with $200 from Mayfair Market at 2350 Junipero Serra boulevard in Daly City early last Friday.

Posing as customers, the men held up a young clerk, Michael Hagan, 19, 30 South Grant street, San Mateo, at gun point and told him to put money from the cash register into a bag.

Both bandits fled after telling Hagan to lie down on the floor. The men plugged two pay phones with paper matches before the holdup.

The getaway was witnessed by Robert Castle, of 447 Inverness drive, Pacifica, who had just left the store with a bag of groceries.

Pill Overdose

A 52-year-old Oceanside drive resident was taken to Community Hospital by Mercy Ambulance Monday for treatment of overdose of sleeping pills.

GIANT PLEDGE — Pictured above Millionaire philanthropist Walter Johnson of San Francisco is presenting Sister Hermine, Administrator of Mary's Help Hospital his signed pledge card for $150,000 as a personal contribution to the campaign fund for the new Mary's Help Hospital now under construction in Daly City. Smiling their approval are (left) Judge George B. Harris, Chairman of the Board of Governors for Mary's Help Hospital, and Roy A. Bronson, Campaign Chairman. Beginning of construction for the 9-million-dollar, 400-bed general community hospital is seen in the background. The public subscription goal is $1,500,000. Designed to serve the fast-growing area of North San Mateo County and the Southern fringe of San Francisco, the new Hospital will be operated by the Daughters of Charity and open to all persons regardless of race, religion or financial status. Mr. Johnson, who gave $2,000,000 to San Francisco to restore the decaying Palace of Fine Arts, told Sister Hermine he felt "privileged" to be able to contribute "to a facility dedicated to restoring human beings and preserving them in health and happiness."

Ask Funds For New School

The Jefferson Elementary District board Monday night authorized the application to the State Department of Education of funds for construction of Area Three school at Market and Moltke streets. Estimated cost is $1,300,000, including land.

The board also purchased two pieces of property at Market and Moltke streets from William and Ricco Lagomarsino at $4100. This is approximately one third acre.

In addition the board authorized the county board of supervisors to sell $277,000 in bonds to bring the district up to bond capacity. The district must be bonded up to five per cent of assessed valuation in order to borrow from the state.

The board also authorized the county board of supervisors to borrow $500,000 until tax money comes in in December. At the same time they authorized the board to invest money borrowed in treasury notes to be redeemed upon need.

One teacher was hired, Thomas M. Murray, of Burlingame to teach at Ben Franklin school.

The board signed a mutual transportation agreement with the high school district and granted a leave of absence because of illness to kindergarten teacher Norma Eddy.

Glue Sniffing

A 13-year-old San Diego street resident was apprehended Monday by city police for sniffing glue in Marchbanks Park. He was issued a juvenile citation and released to his parents.

PACIFICA JAIL — Officer John F. Chew, Jr. with scale model of Magazine 244, located on the Milagra Ridge, Sharp Park. It is planned to convert this facility into a combined police station and civil defense operations and communications.

Pacific Nike Bunker To Become Police Dept.

Pacifica police next year will be moving out of crowded quarters in city hall to a new underground headquarters—magazine 244, located underground on the Milagra Ridge, Sharp Park.

It is planned to convert this facility into a combined police station and civilian defense operations and communications center.

Magazine 244 is a former Nike bunker designed to house 60 men.

The magazine is encased in a six-foot concrete wall with a six-foot deck overhead. This is covered with eight to 10 feet of earth.

There are 1500 gallon underground fuel storage tanks and a 50,000 gallon underground water tank.

The new facilities were approved by the Pacifica Planning Commission Aug. 6. Estimated cost is $25,000. The civil defense commission has put up 40 per cent of the cost.

Pacifica's 20-man force is expected to move into the headquarters in 1964.

The new quarters will contain jail cells for men and women. Present facilities are too small and Pacifica police have to use the South San Francisco jail for men prisoners and taxi women prisoners south to Redwood City.

Barbecue Contest In W'Lake

Twenty-five amateur barbecue specialists will vie for the title of Bay Area Cookout Champion in a spectacular, head-on competition that will be held Saturday, August 31, at the Westlake Shopping Center in Daly City.

This will be the first big barbecue contest ever held in the Bay Area and will be patterned after America's Cookout Championship "for men only," sponsored by Kaiser Foil and held annually in Hawaii.

Wally Blake, promotion director of the Westlake Shopping Center, said that the 25 finalists will be chosen on the basis of outdoor main dish recipes submitted to his office during the next three weeks. Three prominent San Francisco food experts will judge the contest, Blake added.

Each of the male entrants in the contest will be sponsored by a Westlake Shopping Center store.

Prior to the cook-off, Bay Area women will have an opportunity to attend a free two-day cooking school conducted by the American Lamb Council Thursday and Friday, August 29 and 30, at the Center.

Blake said that home economists associated with the Council will discuss the prep-

Thank You Dinner For Bayshore City

A dinner to thank the people of Bayshore and welcome them into Daly City, was proposed last Thursday by the Daly City-Colma Chamber of Commerce.

The dinner, planned for Bayshore Citizens prominent in the recent annexation of Bayshore to Daly City, is tentatively slated with the Board of Directors for Sept. 12.

Members of the Bayshore Citizens Committee and the Bayshore Fire District have been especially forceful in putting through the annexation.

These groups organized the first annexation petition which was presented at a study group meeting of the Daly City Council. The Citizens Committee hired Attorney Tom Bocci to dispute the Brisbane acquisition of Bayshore lands.

Later, when the Cow Palace was disputed in Sacramento, Bayshore citizens, including Mr. and Mrs. Kenneth Pack and Herbert Ritzman, Bayshore City fire chief, appeared to protest the Cow Palace stand.

Martorana hinted also that new members will be undoubtedly be added to the Daly City-Colma Chamber of Commerce, upon merger of Daly City and Bayshore. Fifty-five firms are included in the annexation of the 380 acres of Bayshore City.

These firms will bring in an estimated $80,000 worth of sales taxes each year. Assessed valuation of the entire annexation was estimated at between $4½ and $5 million.

City Council Raise Asked

More money for the Daly City council members and a full-time lobbyist for Daly City in Sacramento, was proposed last Thursday by Director Frank Martorana at the Chamber of Commerce directors meeting at Cypress Hills Bunker Room.

Chamber President Bernard Lycett is to appoint a committee to study the proposal.

Martorana said the five members of the Daly City council do too much leg work and receive too little pay for their efforts.

Councilmen are paid $50 per month.

Martorana said San Francisco supervisors are paid $400 per month plus "fringe benefits.

Martorana said the councilmen in between "two fires," in that they are working men who spend much of their time between their own jobs and that of service to Daly City.

In other action chamber director Frank Curry urged directors to help in solicitation of pledges for the Mary's Help Hospital fund drive.

One half million dollars in pledges have been received, Curry stated. The goal is $1 ½ million. A second kickoff meeting on the fund drive was scheduled Tuesday at Our Lady of Mercy hall.

The Pilot Kept His Business Appointment

A Piper Super Cub calmly taxied onto a Pacifica street last Thursday, Aug. 8 to the amazement of local residents.

The pilot Charles R. Schaper, 31, of Saratoga, Calif., tooled his craft at 12:44 p.m. onto Terra Nova boulevard near the Alicante drive intersection—an area that is under grading for new homes and streets.

Schaper told police he came in because he had an appointment with one of the foremen on a grading job for the new freeway. He said he was supposed to fly into the area, circle a couple of times and then proceed to Half Moon Bay where he would be picked up.

Schaper, a commercial pilot at San Jose, said as he was circling he noticed the ground was ideal for a landing place and there were no vehicles using the area.

Pacifica police said that Schaper violated FAA rules by landing in a residential area. FAA authorities told police that unless the pilot had an emergency, he was supposed to land only at an authorized airport or landing strip.

Armed with this knowledge, Schaper took off with the wind and flew to his home base in San Jose.

Pacifica police filed a report of the incident with the Federal Aviation Association and the District Attorney's office.

Demolition May Meet Deadline

It now appears that the demolition of the old Jefferson High school will be completed within the contract time limit, according to the district's administrative assistant, Richard Coltrell. The deadline is August 21.

At last week's board meeting, trustees evidenced concern that the work would not be done before school opened. Representatives from Falk and Booth, architects of the new Jeff, told board members that the demolition company had probably overestimated the amount of time available for the job.

According to Coltrell, the demolition company, Mayco Salvage of South San Francisco, had started work at 7 o'clock Thursday morning and had worked all day Saturday.

Once the destruction of the classroom and administration building is complete, the final site work will get under way. This work includes the removal of the foundations, a process that will require jackhammering. "It's the noise factor that concerns us" Coltrell said yesterday, adding that the rest of the site work would not demand noisy equipment that would interfere with classes in the new building.

An additional delay was incurred when no bids were received for painting the gymnasium and wood and metal shops at Jefferson. At the board meeting Joseph Cotteral, engineer for Falk and Booth, said that he would look into the matter to see if there had been a misunderstanding. Nine firms took out specifications for the painting contract.

"Some of the contractors are interested in the rebid", Cotteral said Monday. Several of the firms told the architect's office that the job was too large, while hospitalization prevented one contractor from submitting a bid. Another contractor revealed that they had received a large contract prior to the Jefferson district's hearing, but said they would be interested if the completion date could be extended.

Back To School Fashion Show On The Mall

Exciting new school-going fashions for youngsters, teenagers and college age young adults will be featured Saturday on the big stage in the Westlake Shopping Center mall beginning at 1 p.m. Back-to-school fashion show chairman Dick Owens of the New England Shop said that all Westlake stores are completely stocked and ready for the event. He will be assisted in coordinating the presentation by Janet Parkinson, fashion coordinator for H. Liebes and Company.

Owens reports that nearly every wearing apparel store in Westlake center will present several models, highlighting the latest 1963 and 1964 merchandise now available at each participating store.

Live musical entertainment and musical accompaniment will be provided by an electric console organ from the Westlake Music Store.

Daly City Answers Water Complaints

Editors note: The following release was prepared by the City of Daly City.

The hot weather seems to have deserted Daly City and once more we are enjoying our cool summer. However, the months of June and July were abnormally warm and sunny. The results of this can be verified in the Daly City water complaint department! Many water customers are not taking into consideration the unusual amount of watering they have been doing in the past few months, and therefore numerous complaints have been received. The water department, in order to answer these, suggests the following:

1. The water you have used has gone through your meter. This is the only basis any water utility has for making charges to their customers.

2. Your complaints are checked and an instrument is attached to your water meter to indicate any meter leaks. The meter is reread in order to determine any errors in reading. There has been no indication evident of either factors being the cause of the amount billed to the customer.

3. If you are dissatisfied and apprehensive of the reading of your meter, the water department will provide qualified personnel to aid you in reading your own meter.

4. We can check the water usage of your residence for the last two years—and even further than that if you so desire. Our records are available for your perusal.

The last fact to remember is that there has been a rate increase which went into effect October 1, 1962. This is the first increase since 1913 and is still below the average of surrounding communities. The bill you have just received is the first one in a high consumption period based on the new rates.

The water department receives and checks all complaints. However, the only basis for the charges made to you, the customer, is the amount of water which goes through the meter in front of your home.

Recovery Group Plans Aug. 18 Meet

Recovery, Inc., Northern California District, will hold its 4th annual picnic on August 18th, at Roberts Regional Park in the Oakland Regional Park area. Information as to the location of this park can be obtained from service stations in the Oakland area.

All members of Recovery, Inc., are urged to attend this picnic and invited to bring as many relatives and friends as they desire. Each family will bring their own food and fixings. The park gates open at 12:30 p.m. There is a 25c fee for parking cars. Swimming is available at 50c for adults and 25c for children.

For the benefit of those who are not familiar with Recovery, Inc., this is an organization which was started in 1937 by the late Dr. Abraham A. Low, Associate Professor of Psychiatry and Newrology at the University of Illinois Medical School.

After years of research, study, and treating patients, Dr. Low developed the Recovery system of self-help techniques to prevent chronicity in nervous patients and relapses in former mental patients.

It is a non-sectarian, non-profit organization with over 10,000 men and women from all walks of life attending weekly panel meetings all over the United States.

'Homes Open Please' Operates In Westlake

"Homes Open Please" is operating in Westlake through two Westlake Community Baptist Church families.

This is a summer project conducted by the International Interracial Fellowship Commission for American Baptists of the State Convention and the American Baptist Union in which families are asked to invite an Indian child to be a guest and companion to their own children for a two weeks period. Mr. and Mrs. George Easley will host a nine year old boy and Mr. and Mrs. Jay McPherson will host a nine year old girl.

These children come from various rancherias and reservations and the selection is done with the help of two social welfare workers and a pastor. They are brought from their homes to a central location in Oakland on a Saturday afternoon and the host families meet them there. Two weeks later, they are returned to the same location and a caravan of cars drive the boys and girls back to their own homes.

An attempt is made to bring the same child for as many as five years in order that the impact of a repeated experience might be had. The same child is not necessarily entertained in the same home each time.

Mr. and Mrs. George Easley participated in the program last year and recalling the experience, Mrs. Easley stated: "It's difficult to realize that these children come from homes with dirt floors and no running water. The young boy visiting with us was fascinated with our bathtub and spent hours bathing.

I asked him if he wasn't getting tired of bathing so much and he replied, 'No, but it gets pretty cold.' I showed him how he could add hot water by turning on the hot water faucet and then, he never wanted to get out!"

It costs about $11.00 per child for the round trip transportation, food enroute, shoes, sweaters or coats which often have to be supplied before the child can come.

Money for this program is provided by gifts from Women's Missionary Societies, B.Y.F.'s, Sunday School classes and interested persons. Some of the societies make and furnish new clothes and 20 drivers give of their time and cars to make this adventure possible.

Luther Young People To Entertain

The Luther League of the Westlake Lutheran Church, Avalon at Westmoor, are planning an all day outing at the Marin Town and Country Club, August 25. The young people have invited the League of Our Redeemer's Church to join them.

In the absence of Pastor Hansen, who will be on vacation, Mr. Jay Spoonheim, a student at Pacific Lutheran Seminary in Berkeley, will again fill the pulpit.

Dr. Shaw Will Speak Sunday At St. Paul's

On Sunday, August 18, at 9:30 a.m., in the absence of Rev. Robert A. Lundy, the pulpit of St. Paul's Methodist Church, South San Francisco, will be filled by the Rev. Dr. William Shaw.

The Senior MYF of St. Paul's Methodist Church, South San Francisco, will attend an "Idea Time" session at the Half-Moon Bay Methodist Church, August 17. Cars will leave the church at 9 a. m. and return between 4 and 5 p.m. Miss Frances White is in charge. Anyone wishing to attend, or any adult interested in driving a car, is asked to get in touch with Miss White, 114 Francisco Dr.

Miss Janet Balfour, daughter of Mr. and Mrs. Jay M. Balfour will attend the AYTC, (MYF Training Conference) at Monte Toyon for a week, beginning August 21.

Rev. Shaw, whose American home is in Palo Alto has returned to the United States for retirement from missionary service.

Dr. Shaw has served in various missionary capacities in Korea for more that 35 years. During his last five-year term, he did evangelistic work in and around the city of Taejon and taught at the Methodist Theological Seminary. He has conducted Preachers' Refresher Institutes, which bring Korean pastors together for one or two weeks of refresher training in theology and church administration. He has also preached each Sunday for three years to a U. S. Army unit in Taejon.

In previous years, Dr. Shaw did educational and evangelistic work in Pyeng Yang in what is now North Korea, served as treasurer for mission funds from the United States and been a district superintendent. In 1950 he was instrumental in organizing a chaplaincy program for the Republic of Korea Army. For that work and for service as liason officer between the U. S. Army and the Korea Army, he was awarded the Bronze Star medal by General Matthew Ridgway. He did extensive relief work during the Korean War. He first went to Korea in 1921.

During World War II, Dr. Shaw was on the staff of Ohio Wesleyan University at Delaware as director of religious activities and for a year was a missionary to the Philippines.

Before becoming a missionary, he was a high school principal in Ohio, an army chaplain in World War I and associate pastor of Grace Methodist Church in New York.

Anderson to Speak At Broadmoor Session

The Session of the Broadmoor Presbyterian Church will conduct the 10 a.m. worship service this Sunday. Elders participating are Julian Hargrove. Speaker is the Rev. Roland Anderson.

The Session is the governing body of the local congregation and is composed of twelve elders elected and ordained for three year terms of office. Other elders are Henning Carlson, Delmar Severy, Rodman Barnes, Collins Orton, Jack Gobel, John Rued, Thomas House, Harold Hollenbeck, Henry Ysselstein, and Floyd Hicks who is chairman for these service arrangements. Rev. Herbert Tweedie, pastor, is moderator of the Session.

Most of the copper used for the North's munitions during the Civil War came from the newly discovered copper deposits at Copperopolis in Calaveras County.

Chow-Down Indian Style At St. John's

A special evening for San Francsico's American Indians is being planned for Sunday, August 18, in St. John's Episcopal Church, 120 Julian, at 15th Street.

The evening will begin at 6 p.m. with an Indian style dinner of fried bread and beef stew.

The main speaker will be the Ven. Vine V. Deloria, who is associated with the Episcopal deanery of Niobrara, covering reservations in South Dakota and northeastern Nebraska. Archdeacon Deloria's father, Tipi Sapa, was one of the first American Indian Episcopal clergymen to be ordained in this country.

Lawrence Sanchez (Chief Yellowcorn) and his Acoma Pueblo Dancers from New Mexico, including Mr. George Garcia and Mr. William Leno, will provide Indian dancing. There will also be hymn singing in both English and various Indian languages.

The meeting is held under the joint auspices of St. John's Church, the Episcopal Mission Presbytery and the Episcopal Diocese of California Division of Social Relations.

All American Indians in San Francisco are invited to attend as guests.

Rabbi Morris To Speak on Billy Graham

Temple Judea will hold its regular Sabbath Evening Services this coming Friday evening, August 16, at the Temple, 95 South Mayfair at 8:30 p.m.

As his sermon topic, Rabbi Herbert Morris has chosen to speak on the subject "Billy Graham Comes to California." The Rabbi will make several observations concerning the recent television program about the Billy Graham campaign and organization in action.

Rabbi Morris will also touch upon such matters as tent meetings as an Amercian phenomena and its effect upon religion in the United States today.

Hostesses for the Oneg Shabbat (social): Mmes. Bobby Cohn, Louis Minkin, Mrs. Evelyn Jamin.

Temple Judea has been invited to participate in the upcoming San Francisco Conference on Religion and Race which will be held at the University of San Francisco Wednesday evening and Thursday, September 4 and 5.

The following Temple Judea members will represent the Temple in this important inter-faith conference:

Mmes. Frank Langfelder and Morris Weinberg; Messrs. Lawrence Freiberg and Leon Yudkin.

Members of Catholic, Protestant and Jewish groups in the San Francisco area will participate in this Conference.

Judea Sunday School Plans Announced

Leon Benson, Sunday School Chairman, announces that plans are under way for obtaining new material to teach Judaism at Temple B'nai Israel on a conservative level from kindergarten up to and including the Bar Mitzvah classes.

Due to the large increase of registrations, two Sunday School Classes and teachers have been added.

Services will be held as usual this Friday night at 8:30. Rabbi Shore will officiate.

Disobedience Core Of Westside Talk

"The Downward Path of Disobedience," is the title for the sermon chosen by A. David Donnelly, Pastor of Westside Baptist Church, for his Sunday morning, August 18 worship hour message. This is a continuation in the series of messages from the book of Jonah. At this service there will also be special music. During the preaching portion of the service, there will be a Primary Church for boys and girls four years of age through the third grade in school. A nursery is provided for babies and toddlers during the morning worship hour.

Sunday Church School convenes at Westside Baptist Church, 9:45 a.m. Sunday morning. There are ten classes for all age groups.

There will be no Sunday evening Conference Youth Fellowship or Evening Gospel Hour service this Sunday night. Instead, immediately after the morning service, a caravan of cars will be leaving for Portola State Park, where a Fellowship outing will be held.

Saturday evening, August 17 some of the youth will attend the Youth for Christ Rally in San Francisco, where the movie, "The Vanished" will be shown.

Westlake Stores Set For Back To School

For many weeks Westlake Shopping Center merchants have been orderng and stocking new items and necessary regular merchandise in readiness for resumption of school.

Westlake merchants association president Bert Feltinton of Blooms shoe store said that "We Westlake merchants have had a busy summer of activities designed for our friends and customers, many of whom—like us—spent the summer vacation period at home. Now we are really set to help every family prepare for another busy school year."

Feltinton pointed out that Westlake firms now offer a very wide selection of merchandise and services, and further reminds parents that Westlake professional offices offer dental and physical checkups, insurance coverage, repair services, barber shops and beauty salons. No matter what may be the individual family needs for back-to-school programming, Westlake merchants urge everyone to try them first.

"We feel that the scope of Westlake Shopping Center truly offers a complete one-stop center for the entire family's needs," states President Feltinton.

New Directory Info. Asked

Civic organizations are urged to send information on their officers, meeting dates, etc. to the Daly City Hostess, P.O. Box 3191, Daly City, as soon as possible in the new Daly City Business Directory.

Twenty thousand copies of the directory will be printed and distributed in Daly City, Colma and Broadmoor. It will carry listings of service clubs, schools, churches, city services and other activities as well as identifing of Daly City firms.

Miss Birke and Nutter are the only persons working on the new Daly City Directory, the first to be published since 1959 when it was sponsored by the Record.

Freeway Study Hearing Slated

The Division of Highways has scheduled a public hearing to present the results of studies made for the location of the second section of State Highway Route 229, from Sweeney Ridge, just west of San Bruno, to State Sign Route 1 at Pacifica. The California Highway Commission selected the location for the first section of this freeway, as yet unconstructed, on January 23, westerly from Bayshore Freeway through San Bruno to Sweeney Ridge.

The public hearing will begin at 2 p.m. on September 18, 1963, in the auditorium of the Oceana High School, 401 Paloma Avenue, Pacifica.

Water Colors August Showing

A collection of water colors by local artist Katharine de-Tyrtoff, will be shown during the entire month of August at the Westlake Library.

This artist studied in New York City with Edith King, Charles Pendergast and Kenneth Miller.

She has had many shows throughout the country. Among them is the Great Horn Gallery, Boston; the Quantas Airlines office in Union Square, San Francisco; The Torrance Art Gallery in San Anselmo.

This artist works in oils and water colors and always from nature.

She says: "I always paint what I see in front of me and my impressions at the time. I never paint from memory, nor from pictures. And I never copy."

Librarian Samuel Chandler invites residents to see the showing and sign the guest book.

Rotary Club Talk On Cuba

Daly City Rotary Club Program Chairman Ted Harris last week presented as the speaker of the day Mr. Antohio Martinez, who spoke on the plight of Cuba.

Mr. Martinez left Cuba in 1961, after years of working in a responsible position in the Banco Nacional. No longer able to tolerate conditions there, he was able to get his wife and son out of the country, and then follow them himself.

The take-over of Cuba by Fidel Castro points out rather sharply, Mr. Martinez said, that the same sort of things can happen anywhere unless people are alert to events and diligent in the protection of liberty.

Finemaster Belotz created a bit of havoc and, when the smoke cleared, the treasury had profited.

New Location For St. Francis Realty

Due to an expansion of business, Del C. Wilson's St.Francis Realty has moved to larger quarters at 6564 Mission St., sales manager Joe Rubino has announced.

Del C. Wilson is treasurer of the Daly City Lions Club and will accept dues at his office.

Executives On Loan For Crusade Drive

Nearly 150 San Mateo County executives — loaned to the United Crusade by scores of firms, some from bay-wide companies — will swing into action this week in preparation for the October "One Gift Works Many Wonders" drive, Campaign Chairman Leonard J. Bardsley announced today.

They will call on 898 business organizations in San Mateo County to explain how their employees can help the county Crusade meet the $660,000 goal for 1963, which is San Mateo County's share of the bay-wide 1963 goal of $11,407,000 — every dollar of which is vitally needed to support the private health, welfare and youth service agencies, he said.

Some 120 of these loaned executives assigned by their firms to the San Mateo County drive will meet Wednesday morning in the General Electric Company's auditorium-theater for an all-day orientation session, under the leadership of Charles A. Black, Commerce and Industry chairman.

San Francisco and the residents of the Bay Area provide a large adjacent market for the products of northern California's 73,412 farms.

Local Police Crack Wholesale Drug Ring

A police call to what was believed to be a suicide busted open a wholesale dangerous drug traffic in Daly City last Saturday at 311 Price street.

Three persons were arrested on charges of dealing in dangerous drugs.

Police found Novella L. McClure lying at the foot of the steps at 311 Price street. A note on the table indicated a suicide attempt.

Two men, Eddy Howard, 49, of 174 41st street and Robert Chudnick, 39, of 311 Price street, were arrested at the place along with 2,500 ampules of Methadrine and $1,050.

Patricia Ann Kinnon, a prostitute dealing in retail narcotics, 38, of 714 Steiner street, was arrested outside the house. She carried a .22 caliber luger. An additional $200 was found later inside the home.

Arresting officers included Lt. Dave Hansen, Officer Robert Stables, and Officer Dennis Sheehey. Officer Harry Lax aided in the earlier investigation of this case.

The McClure woman was taken unconscious to Community Hospital after receiving oxygen treatment from Daly City firemen.

Serra Bowl News

The Fall '63-64 bowling season will be an exciting one for the younger set at the Serra Bowl. At the present time more than 100 teams of youngsters from 8 to 18 years old' are planning to compete in Winter leagues under the auspices of the brand new B.P.A.A. Youth Bowling Association. The program is extensive and varied with emphasis placed on instruction as well as league and tournament organization. Any parents wishing more information on the Y.B.A. or any young people interested in joining up should phone WY 2-3444 and speak to Brad Nelson, Junior Director.

The list of high scores in league play this week at Serra is truly staggering and any organized mention beyond a somewhat random listing would indeed be difficult. Anyway, here goes with what we hope is an accurate account of who were the high rollers in the most recent action on hte lanes.

Jerry Smith tallied 222-586 in the Sunday Cocktail league to lead Mann's Dinner House to a 3-1 win over the Original Palace foursome.

In Pilots league competition Joe DeSanto led Johnny's Auto Supply to a 4-0 sweep over team No. 2 on his 215-609 series.

Scoring in the 810 Scratch league was led by Bert Koshaba's 236-582 effort which helped to earn the Ed Michaels Construction team a 3 game win over Flying Goose Sporting Goods.

Dick Pickard tumbled 224-574 and Charles Martucci picked up 244-539 as they paced the S. F. Silents to a 3-1 decision over team No. 8 in 775 Boozers kegling. Also in that loop Ned Lavin banged 223-572 as the Pick Ups team took 2 out of 3 games from the Leathernecks dsepite Roland Fierro's 210-591 for the latter group.

High roller in the 850 Scratch league last week was 170 averager Yale Field who blasted a mighty 234-632 series only to see his Drake Realty Co. team drop a 2-1 decision to Cristoni's Mobil Corner. In other action Ron Scheer tallied 238 in his opening game but ended the evening with an only slightly better than par 524 score. Aetna Roofers dunked Susies Do-Nuts for a 2-1 defeat; Rich Nachetti paced the losers with the high score for that set . . . a 236-610 trio. Ray Roach tossed a classy 235-633 series to pace the San Bruno Glass team to a 2-1 win over Eakin and Eakin Contractors.

Jay Morrow topped the Guys and Dolls league last week with a terrific 230-635 effort and led his Al Pollack's Main Stem team to a clean 4 game win over team No. 6 led by Frank Mooney's 222-582 tally.

In Astronauts action Ted Braun paced the Western Leasing Co. team to a 2-1 win over the Hillside Food Center with his strong 228-619 shooting.

Jim Hare led the Knights of Columbus loop with a 213-602 series to lead the Pirates to a 3-0 sweep over the Tigers.

Tri-City Baseball Opens on Old Note

Second round action in the Tri-City Summer High School Baseball League kick-off as first round champions, San Francisco Saints, continued their winning ways by downing the South Sunset AC 6-2. Jim Papalias and hit pitching and the 3 for 4 hitting of centerfielder, John Valero, paced the undefeated winners.

Games this Sunday will find the Saints facing the Jefferson AC nine at 12:30 p.m. and the South Sunset club going against Westmoor BYA at 3:00 p.m. Both games will be played at Marchbanks.

The four teams entered in the second round will play a double round robin schedule with the winners meeting the Saints should the latter team not win the second round.

PAL Redsox Finally Jell With 7-6 Win

It looks like Coach Fred Belluomino's PAL Redsox have finally jelled. The Redsox were badly handled in the beginning of this season and looked like they would play the doormat role. Belluomini worked the team up from the cellar by much extra practice and hard work. The Redsox have jumped off to an early lead with a 3 and 0 record in the new league.Only time and the Games will tell if the Redsox can keep up the pace. This week they put Pappas on the mound and gave up only 4 hits to the Holy Angels Colts while shutting them out. Sox batters collected 11 hits off Dillon, that they made count for 4 runs. Brown hit 3 for 3 while Frederico and Azzarello collected 2 for 3 in the 4-0 ball game.

The Colts took revenge on the PAL Indians with an 8-2 win later in the week. Timmy Dillon went all the way this time giving up only 4 hits and 1 walk. Gerald Kalaki was the hero for the Colts with a triple and a single and some great fielding. Manzanerez picked up 2 hits for the Indians.

The Redsox had a squeeker with the OLM Dons. In a real close ball game, they came out on top 7-6. Ewing, the losing pitcher, gave up 8 hits to the Redsox while Lee gave 6 to the Dons. Balletto hit 3 for 5 for the Sox. The Dons defeated the BYA Mets 12-7 in a ball game that was rather fruitless as the Mets dropped out of the league and there would have been awarded a win anyway. Ewing hit 3 for 3 with 3 RBIs.

SHOE REPAIRMAN — Mike Lessa, an experienced shoe repairman, has opened his new shop at St. Francis Square Shopping Center.

Mike Lessa, 28 Years In Shoe Repair Trade

A man who comes from a long line of shoemakers is Mike Lessa of Mike's Shoe Service, 19 St. Francis Square in the St. Francis Square Shopping Center, Daly City.

Lessa, who recently opened his business at the shopping center, is a Mission High School graduate and native San Franciscan. He and his five brothers learned the shoe repair business from their father.

Mike has 28 years of experience in the shoe repair business. For the past 10 years, he operated the Ideal Shoe Renewing shop at 696 Monterey boulevard in San Francisco.

The five brothers at one time were all in the shoe repair trade. Now only brother Richard is a shoemaker.

A former president of the Northern California Boot and Shoeworkers Union Local 320, where he is a charter member. Lessa is married and resides with his wife, Jerry at 32 Bedford drive in Daly City. His wife, appropriately enough, is a business representative of the Boot and Shoemakers Union. They have a son, Michael William, 20.

Mike's hobby is leather craft. He makes wallets, gun belts and holsters. At one time, he made holsters for some members of the San Francisco police department.

Lessa is a World War II veteran, who served with Patton's Third Army in Europe.

PAL Pirates Lead League

If you hear a lot of noise coming out of Diamondsville, it's caused by the heavy pounding given Pacific Coast division pitchers by Tony Moss of the league leading PAL Pirates. Moss, a midget edition of Willie Mays, blasted out a grandslam homerun this week to help his team defeat the Misracks Bombers 12-1. He also handled the mound for 5 innings giving up 4 hits and 2 BBs. Not to be overshadowed by teammate Moss is Pirate Billy Sherbert who started the hit parade off with a 2 run homer in the first. Howie Kaplan took the mound for Moss in the 6th inning and shut the Bombers out in the final frame. The Pirates look like the team to beat.

Alan Hoffman made some noise down at Colma for his BYA Rams with a 3 run homer in the first inning of their game with the BYA Blues. Teammate Big John Kilipoulos picked up 13 strikeouts on the mound and hit 3 for 4 (2 doubles) as the Rams took the Blues 10-1.

Tied with the Rams for second place with a 2 & 1 record, the OLM Wolves kept pace this week by downing the OLPH Grays 11-3. The Wolves have shown a good defensive team and with the development of their pitcher Critonich should win their share of ball games.

Gee Whiz, Its Lob Ball Time In Daly City

The Daly City Internationals and the Daly City Playboys share the lead in the Daly City Recreation Department's Adult Lob Ball League. Both teams have 3 and 0 records. The Internationals are composed of members of the Daly City Street, Water and Park Departments. Jess Racines, San Francisco State Football star, is one of the reasons for the Internationals' success. Jess hits the long ball as the Notables, Toros and A & G Vacuum have already found out.

The Playboys are members of the Daly City Recreation Department. Playboy victories include wins over the Daly City Billiards, the Daly City Post Office and the Daly City Fire Plugs. Right behind the league leaders is the Daly City Post Office with a 2 and 1 record. The Post Office under the leadership of third sacker Ron Riggs has defeated the Daly City Fireplugs and the Notables.

The eight-team league has a long way to go and as the season progresses, there may be several upsets. Holding a .500 record, the Daly City Toros composed of members of the Polce Department and PAL coaches, are capable of knocking off a league leader.

The luckless Daly City Fireplugs will get away from the barn with a rush one of these nights and get their name in the paper. With all the talent in the Daly City Fire Department, it shouldn't take long. George Ambrosio's Daly City Billiards cannot be counted out as their 7-6 loss to the Toros shows A & G Vacuum went extra innings with the Internationals and thereby gave notice.

Patti Stolz, leader of the Community Chorus, can generate her enthusiasm into the Chorus' ball club, the "Notables." They should come up with a surprise for everyone. From the first part of the season, it looks like Lob Ball is in Daly City to stay.

Summer Rec Tumbling Lessons Set

Weekly tumbling lessons have continued to be one of the highlights of the summer recreation program. Beginning Tumbling is given on Mondays 3-4 p.m. and Advanced Tumbling is on Tuesday from 1-2 p.m. Some of the outstanding tumblers in the advanced class are: Jan Haymaker, Mark Haymaker, Barbara James, Pat Bayley and Kristine Peters.

Pre-schoolers have been having a wonderful time this summer under the leadership of Laurel Klaisner. They meet Tuesdays from 10-12. The program includes drama and storytelling, arts and crafts, play time and other activities. Archery has also been very popular with over 40 youngsters attending each weekly session. Some outstanding archers are: Phillip James, Dan Proctor, Les Williams, Gene Wilcox, Brad Quanstrom and Jerry Hess.

The summer program is quickly drawing to a close with only two more weeks of activities for this summer. Closing date will be August 23. When school begins, there will be leaders on duty on the two playgrounds after school from 3:45-5:15, and on holidays and Saturdays from 10 to 4 p.m.

Hole In One After Twenty Years Of Play

Andrew "Babe" Ucelli, a prominent Daly City businessman, made a hole-in-one Sunday afternoon at Cypress Hills golf club in Colma on the fifth hole.

Playing in the threesome were councilman Edward J. Dennis and Ralph Jordan.

Ucelli, a week-end golfer is a par shooter and won the match one up. This was his first hole in one in 20 years playing golf.

A Memorable Trip For PAL Cubs

The Pal Cubs, amid fanfare and general uproar, managed to defeat one of two all-star teams in their recent three game Los Angeles road trip.

The first game, played at Olive Memorial Stadium, former practice field for the St. Louis Browns and the L. A. Rams, found the local contingent facing the Burbank 7-Up Cubs in sweltering heat before a crowd that coach Bob Kramer described as "a multitude of fans." The PAL Cubs jumped off to a three run lead in the second inning and went on to shut out the Burbank nine, 7-0 behind the tremendous mound efforts of Ron Mini who struck out 13 batters.

According to Kramer the opposing coach was so impressed with the pitching he gave Ron the game ball signed by his entire team.

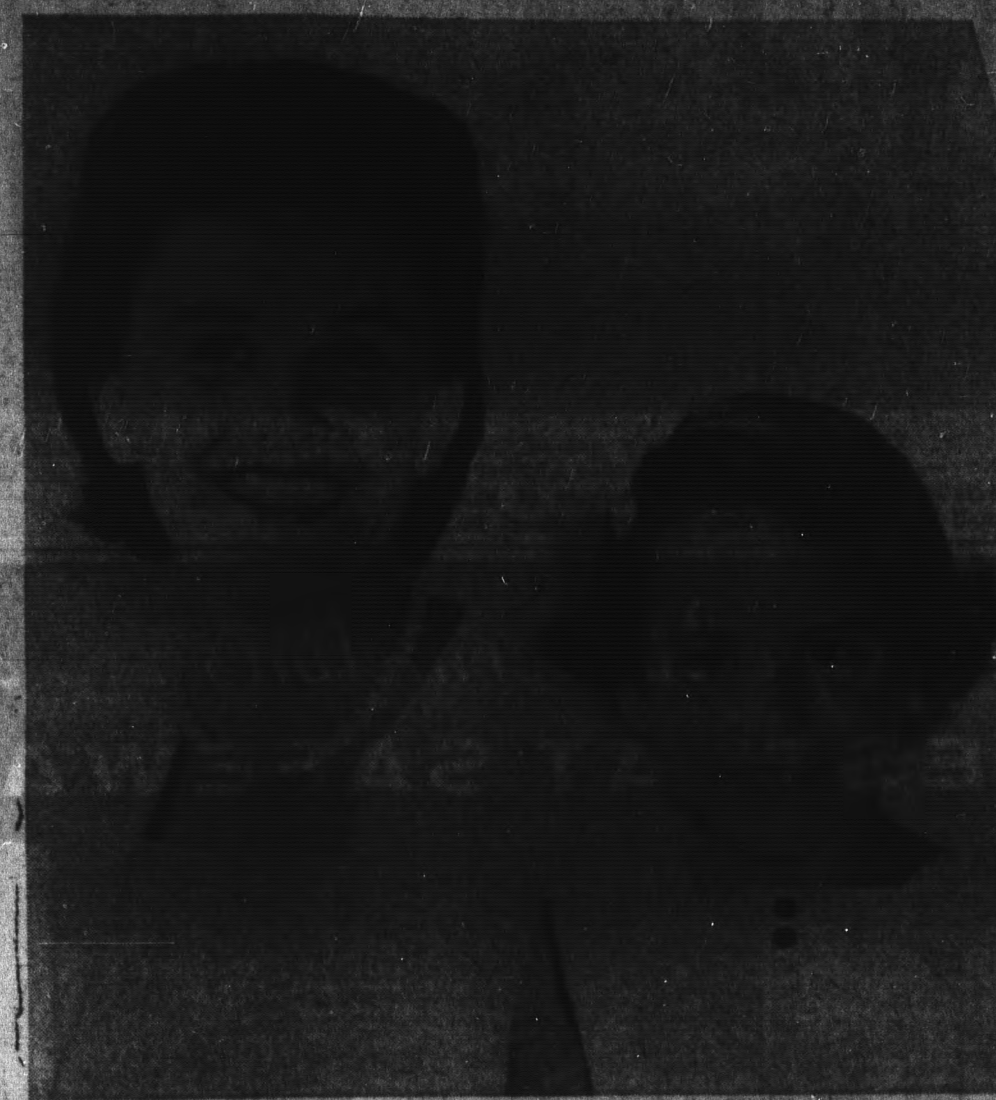
That night the Cubs went to Dodger stadium to root the Phillies to a 6-5 win over the Southland badguys, and cheered their heads off when, in the sixth inning, the scoreboard lit up with "The L. A. Dodgers welcome the PAL Cubs Baseball Team from San Francisco and Daly City."

Coach Kramer reported that Saturday was spent at Disneyland where each boy "went on at least 15 rides." That night a victory party was in the offing at Knottsberry Farm, while Sunday was spent in a tour of USC, the Coliseum, and the home of the Lakers.

Following this the Cubs traveled to Monterey Park where they took on a burly outfit composed of the all-stars chosen from 78 local teams in a twin bill. "Here we really had a red carpet treatment," Kramer said. "The park was fantastic, the weather beautiful but hot, at least 400 fans . . . four umpires, a drum and bugle corps and a public address system with a local announcer doing the speaking."

The Monterey Park Triple A Allstars proved to be too much of a good thing, however, romping off to a 13-2 win in the first game, then winning 8-4 in the second. Kramer reported that "we bunted, stole, and squeezed, even when 12 runs down," refusing to give up until the last out.

In the three contests the cubs got off their 37th, 38th, and 39th double play of the season, and managed to execute a triple play against the Monterey team. "Our games were considered championship games," Kramer said. "The boys wore well the colors of the Daly City PAL Cubs."



MRS. BARBARA MURRAY and five year old daughter Ellen of 20 Windsor Drive are shown after being told that Ellen was the 50,000th child to be placed in the Westlake Bowl's Children's Playroom. Ellen received a savings bond while Mrs. Murray who is a new bowler received a Brunswick bowling ball, bag and shoes. Mrs. Murray is a member of the Westlake Catholic Women and bowls weekly with her neighbors.

Marv Smith Victimizes PAL Dodgers

Skyline Plaza won their second game of the late summer junior baseball league. This week the PAL Dodgers fell victim to Marv Smith. Smith gave up only 2 hits in the 4-1 win. Tom Wuenter hit 2 for 3 for the Plaza. R. Smith's play at catcher was singled out by Coach Rodriguez as one of the reasons for his team's win. Rodriguez complimented the Dodgers just up from the intermediate leagues being a club with great promise. This was the Plaza's 21st win of the year as against 8 losses.

Clippers Nail Rascals, 105-56

The Clodhoppers and Clippers contnue to pace the action in the LONG division of the summer high school basketball league sponsored by the Daly City Recreation Department. The Clodhoppers still lead the league, downing the previously undefeated Celtics 47-42 behind Ed Larios' 21 point output. Steve Willis and Bill Jones scored 14 & 10 points each and Willis and Jerry Sullivan dominated the boards in leading the Mission St. five to victory. Hal Westmoreland matched Larios' game high of 21 as he paced a late fourth quarter rally by the losing Celtics. Mike Cullen's 9 points and Tom Miles' tough rebounding also aided the Celtic cause.

Setting new league records at every turn, the high jumping Clippers continued their undefeated ways by running all over the Rascals 105-56. Willie Mack set a new league high for points scored and field goals, as the Clipper captain poured through 48 points on 22 field goals. Four other players scored in double figures as the winners ran up a 27-8 first quarter lead and then coasted from there. The outmanned Rascals were lead by Dave Breazeale and Larry Kinkade who scored 16 and 8 points respectively.

In other LONG division games, the lanky Rangers garnered their first league victory by dumping the Rams 50-43. Paced by Marty Coil's 13 points, the Rangers took full advantage of a strong bench and their height to steadily maintain their early lead. Chuck Schart's 10 points and tough rebounding also aided the Rangers to their initial win of the season. Jerry Donovan and John Gibson each scored 12 points and Bill Wuerthner was top on the boards for the losing Rams. In the week's last game, the Whalers moved into fourth place by downing the Gunners 63-43 behind a balanced scoring attack. Mike Frank paced the hilltop five with 18 points. Diminutive Ed Rickenbacher was the game's high man as he scored 21 points to lead the shorter Gunners.

In SHORT division play, the Knights have a firm hold on first place with a 4-0 record as they downed the previously undefeated Half Pints 61-41 in last week's top action. Captain Tom Houston scored 15, as the all around play of the winners was too much for the South City five. Tom Pritchard dominated the boards and scored 10 points as the Knights sped to a 32-20 half time lead. The Nats played a steady tough ball game to down the hardpressing Linda Mars 48-40 as Bob Bishop's 15 points led a balanced scoring attack.

The Hawks fell out of first place by having to forfeit their game to the Breakers and then came back in a practice game to stop the Linda Mars 50-17.

Roofers, Leopards In Seesaw Battle

The Intermediate League hosted a teriffic battle at Westlake Park's north diamond this week. The Bender Roofers and the OLM Leopards met in seesaw cliff-hanger.

The roofers jumped off to an early lead banging out 3 runs in the 1st inning and 2 in the 3rd. Good hitting and heads-up base running scored the 5 runs that looked like the ball game. The Leopards would not give up. They eked out 2 runs in the second, 1 run in the 4th and then the roof caved in with 4 in the 6th.

Piercy got the call from the Roofers and he played the fireman pouring cold water on the Leopard's blaze. In the 6th Belli and Seager tied up the ball game and Bob Himm caged the Cats by stealing home to give the Roofers their first win.

Play-offs for Junior Olympics Due This Week

Thursday and Friday of this week will feature area play-offs in the tournaments that have been held weekly as a part of the summer recreation program on local playgrounds.

The Play-offs under the direction of the Daly City Recreation Department will feature competition in eight tournaments in six divisions. The tournaments are ping pong, tetherball, four square, carroms, checkers, hopscotch, ring-a-tac-toe and basketball golf. Girls and boys are entered in separate divisions according to age: 7-9; 10-11; and 12-15.

Winners in the area play-offs will advance to the city-wide tournament championships to be held in competition with the Junior Olympics, on Thursday, August 22, at Westlake Park.

On Thursday, August 15, the area play-offs will be held at Westlake Park for Garden Village, Our Lady of Mercy, Olympia and Westlake School playgrounds. Also at Abraham Lincoln for Daniel Webster, Vista Mar and Pauline Brown playgrounds. Friday's play-offs will see Colma, Vista Grande and Marchbanks youngsters at Jefferson playground and Woodrow Wilson, War Memorial, Frankfort Park and George Washington at Lincoln Park.

Cardinals Lead Midget Baseball

It is no surprise to anyone that the PAL Cardinals are leading the Big 6 division. Their 6-3 win over the OLPH Golds caused a few eyebrows to lift and this week they could only turn 10 hits into 6 runs against the PAL Gants up from the lower division. The Giants could only get 1 hit off Gary Wilson as they were blanked. Ron Hackett hit 3 for 4 for the Cards while Kirby and Gevertz hit 2 for 4. Kirby gave up the only hit to P. Oliva of the Giants.

The only other game recorded htis week saw the PAL Braves shut out the PAL Yankees 8-0. Micky Gentile tossed 1 hit and 1 walk ball for 5 innings, Smoky Morton came on in relief in the 6th and did the 123 trick. Morton, Walorinta, Marcus, Gentile and Billy Meek got the hits for the Braves. Lessor collected the only hit and walk for the Yanks. Brabe Bunting caught the Yankees flatfooted and counted heavily in the score.

SPORTS

It's SPARE TIME

Ray Moore became a member of Westlake's most exclusive club as he joined Bob Bresnahan, Bill Greer and John Bussey with a 300 game last Friday evening. While all activity stopped, he calmly put the last three balls in the pocket for a perfect game. To prove it was no fluke, Ray led the Classic Singles League Tuesday night with a 698 series.

With guaranteed prizes of $400 first and $200 second the August Midnight Sweeper for bowlers with 195 average and under, is scheduled for midnight August 24. Prizes will be awarded on the basis of one for each eight entries with special awards of $40 to the high eight game series on each sixteen lanes which does not place in the regular prize list. Primo is accepting advance entries at $30 each.

Four bowlers in the Petersen Point Trio League averaged over the 200 mark for four games as Gary Moeller again topped the list. Gary rolled a 226 game and 845 series followed by Fred Von Husen with 224-822, Jerry Manini with 247-813 and Fred Bahrt with 218-800.

Chuck York shot a big 226 game and 631 series to lead the Northgate Mixed Fives while Mickey McDowell topped the ladies with 169 and 464.

Neva Runningwolf and Joe Rossi were the high rollers in the 99'ers Mixed Fives as Neva had a 231 game and 531 series while Joe shot 213 and 599.

Repeat leaders in the Telco Mixed Fours were Helen Noone with 195-574 and Roger Noll with 222-611.

Ruth Antraccolli led the Friday morning Trio League with 165-498 while Norma Wagner took high game honors with 200.

As the First Annual Ora Swanson Southpaw Singles and Doubles Tournament moved into high gear, Bob Kern won the first week's Singles prize while Joe Maurino and Steve Kosmides teamed to take the first Doubles weekly award. The Tournament for lefthanders only will run until September 1.

The Southgate Mixed Fives produced two new leaders as Lou Laflamme and Erwin Brerthrentz were the high rollers for the evening. Lou rolled 198 and 487 while Erwin shot a 587 series on a high game of 221.

Next Saturday evening Westlake will welcome forty teams of the Elks Travel League who will make their annual visit during the summer travel season.

B'nai B'rith bowlers of the week were Allen Steinberg who led the men's evening league with 201-567 and Lillian Needle who topped the ladies' daytime league with 177 and 470.

Off and running at Westlake until September 2 is the first No-Tap Tournament with daily, weekly and jackpot prizes. With any nine count shot going as a strike, scores should be high and so should spirits when bowlers can't complain about leaving one pin. To be eligible for Sunday's weekly rolloff, a bowler must compete at least once during the week.

Don Gilliam led his Renon Trio League Tuesday evening with a big 258 game and 668 series.

Sam Rainey's 206 game and 558 series gave him Bowler of the Week honors in the Early Fives.

With a 208 game and 578 series, Harry Henselmeier set the pace in the 815 Scratch League.

When Abraham Lincoln was elected President in 1860, the City of Washington had a population of about 100,000.

What Every Woman Should Know About Her Automobile

By WENDY WHEELER

Auto-Torium Feminine Driving Consultant

Takes a heap of living to make a [illegible] [illegible] [illegible] house clean of heaps. Goes for heaps of dirt in the car, too.

Show me a woman whose husband or son keeps the car spick and span, and I'll show you a whopping garage bill.

You might as well volunteer openly to do this job, and be a heroine. (Spend the savings from garage upkeep at your hairdresser.)

Here are my tricks. Vacuum, don't sweep. Whiskbrooms went out with the Stanley Steamer. Use the attachments on your tank type cleaner plugged into the garage. And because you'll want quick touch-ups, keep a battery-operated vacuum in the dashboard compartment. (It does double duty for de-linting clothes.) Inexpensive and nearly indestructible, portable hand vacuums are the size of a flashlight and have their own pouch. Their openings are brush-tufted for raising the nap and rubbing off caked spots.

Upholstery — wipe often, don't scour seldom. Treat vinyl upholstery the same way you would a fine handbag. You use it every day, and its neatness tells a lot about your grooming. For this, I keep a sponge in a plastic bag, always slightly moist. A few quick wipes over seats while the engine is warming up is all that it takes!

Wash, don't wax, windows. House windows are different from car windows. Sun during the day and headlights at night become distorted by waxy smears. Ask any service station attendant what he uses—then buy the same thing at an auto accessories store. My pet peeve: scrape off those decals.

Carry a filing cabinet. No one does this, but the next best thing is either a litter box or a car valet. Maps, transistor radio, cigarettes, cleansing tissue—all those incidentals which can be annoying as loose objects can so easily be organized.

Which brings me to smoking. What automobile manufacturer ever made a foolproof ashtray? The tiny ones lose their contents in a strong draft, and the big ones give forth an atomic cloud of ashes if you jerk them open. Get a magnetic ashtray to fit closer to the driver on the dash, or the weighted type you can set down anywhere. Dump them when you take a rest stop, or put the car away for the night.

Keep a clean car and you'll keep a clean conscience.

Think of the bargaining power when Old Dad tries to talk [illegible] for [illegible]

[illegible] Wendy Wheeler's informative and entertaining booklet, "What Every Woman Should Know . . . About Her Car" may be obtained at any Auto-Torium store or by writing her in care of this newspaper.

WHAT'S THE ATTRACTION? — Any excitement immediately brings a crowd of small boys springing magically out of the ground; in this case a minor accident at the corner of San Jose and Flournoy street in Daly City last Friday. The accident drew these boys of all shapes, sizes and colors.

$2 Million For County Retirement Pay

Public expenditures for retirement of employees of San Mateo county and for employees of cities within the county reached $2,137,368 in fiscal 1961-62 according to California Taxpayers' Association studies of reports to the State Controller. This is an increase of $403,597 or 23 per cent over the $1,733,771 reported for 1959-60, the Association points out.

Statewide in 1961-62 these expenditures by the counties for the retirement of their employees amounted to $48,320,050 and expenditures by city governments for the retirement of their employees reached $68,872,164. The combined total of city and county expenditures for their public employee retirement for this year was $117,192,214. This is an increase of $19,082,020 over the 1959-60 statewide figure of $98,110,194.

Other large retirement systems are maintained by the taxpayers throughout the State for the benefit of various groups of public employees. The State Teachers Retirement System cost $71,080,635 in taxes during 1961-62. Of this sum $41,236,000 came from the State and $29,844,635 from taxpayers of school districts, the Taxpayers' Association points out.

The State Employees Retirement System received almost $60 million in 1961-62 for the retirement of State employees. This is more than $10 million above the $49,700,000 State tax cost of 1959-60.

"Taxpayers are putting up more than a quarter of a billion dollars a year for the retirement of public employees of State and local governments in California," said Sheffield J. Arnold, Executive Director. "Too often they are allowing their sympathies to outrun their good sense in approving retirement liberalizations. Such proposals are usually complicated, but they should receive the closest scrutiny."

San Francisco's water supply comes from the Hetch Hetchy Reservoir through a 167-mile pipeline system and is stored in several reservoirs in Alameda and San Mateo Counties.

Fourth Annual Pacifica Flower Show Due Sun.

The Pacifica branch of the American Fuchsia Society, in conjunction with the Art Guild of Pacifica, will hold its fourth annual flower show at the City Hall, Sharp Park area of Pacifica, Saturday, August 17, from 11:00 a.m. until 6:30 p.m. Award-winning Pacifica Sweethearts drill team will leave the Sharp Park School at 10:30 a.m. and may be seen along Palmetto Drive and on to the City Hall where Mayor Harold Fegge will officially open the show. Mrs. Edna Laurel Calhan will again be mistress of ceremonies. Mrs. Sherri Thomas, local artist, will controbute a painting, and tickets for the drawing will be sold at $1.00 each, the proceeds going to a welfare organization.

All Pacificans and visitors are urged to attend this event as will be a most unusual and colorful display with the Art Guild paintings as a background for the fuchsias.

Temple Judea Plans High Holy Day Rites

Temple Judea will hold its High Holy Day Services on Brotherhood Way in San Francisco—right near Parkmerced—at the Church of Christ, this year.

Rabbi Herbert Morris and Cantor Harold Wachter will officiate.

Dr. W. Leonard Beck will direct the special High Holy Day Choir, which will sing at all services.

High Holy Day Services will be as follows:

Rosh Hashonah Evening Service—Wednesday, September 18 at 9-10 p.m.

Rosh Hashonah Morning Service — Thursday, September 19 at 10-11:30 a.m.

Yom Kippur Evening Service—Friday, September 27 at 8-9:30 p.m.

Yom Kippur Day — Saturday, September 28 at 10 a.m. until 5:30 p.m.

Brotherhood Way, located opposite Parkmerced in San Francisco, is within easy reach of the Lakeshore, Sunset, Lakeside, Ingleside Terrace, Outer Mission, Excelsior, St. Francis Woods districts of San Francisco and, of course, Westlake and the Northern Peninsula communities of South San Francisco, Millbrae and San Bruno.

For those living in San Francisco, public transportation is available via the Nos. 17, 26 and 28 Muni bus lines.

Temple Judea will provide transportation via car pool for those who live in outlying areas and are unable to get private transportation.

Anyone interested in obtaining High Holy Day seats and information is urged to contact Temple Judea at PL 5-6362 or write to Temple Judea, 95 South Mayfair Ave., Daly City.

Thomas E. Colen Serves On Cruiser

Thomas E. Colen, seaman, USN, son of Mrs. Marie Colen of 69 Oakmont dr., Daly City, serving aboard the heavy cruiser USS St. Paul, recently participated in a major fleet strike and anti-aircraft warfare exercise conducted by Commander First Fleet off the Pacific Coast.

Dubbed "Exercise Golf Ball," the five-day exercise centered around the attack aircraft carrier USS Oriskany.

In addition to the Oriskany, the task force included a heavy cruiser, two guided missile frigates, seven destroyers and three auxiliary ships, all of which are Pacific Fleet units.

ONE OF OLDEST

The church of San Miguel in Socorro, New Mexico, is one of the oldest in the United States. The church incorporates a wall of a Franciscan mission constructed on the site in 1598.

Back to School For Firemen

Battalion Chief Frank Specht of the Daly City Fire Department has just completed a 5-day Fire Prevention Seminar at the University of California at Berkeley.

Some of the subjects were: LP Gas, plastics, handling of dangerous chemicals, fire safety for Hospitals and Fireworks laws, rules and regulations.

Chief Kennedy stated "A fireman's job has become more than just a job, it has now become a scientific one. Nowadays a fireman must have a knowledge of new products and new manufacturing processes. This knowledge helps the man fight a fire in the proper manner. It helps the Fire Prevention Officer to note improper storage and use of these new products that could cause the loss of life and property damage.

"It is a constant challenge to our Department to keep abreast with all the latest methods of fire department work. With this in mind and feeling that a fireman will be better prepared to serve his City we are starting a new program.

"All new firemen will be required to attend the San Mateo Junior College for at least four semesters. The subjects taken will be advanced methods of fire fighting.

"We will continue to send men to all courses such as the one Battalion Chief Specht has just completed."

The courses are conducted by the California Fire Training Division of the State Department of Education.

New Cancer Society Booklet Is Available

A 22-page booklet describing current research activities of the American Cancer Society has been received for distribution by the Society's San Mateo County Branch.

Entitled "A Report on the Research Program of the American Cancer Society," it comments that in the field of cancer research "a picture is unfolding which shows the cancer research scientist meeting head-on some of the most fundamental questions of life and death."

Charts and tables are used to show how the Society's funds are spent, and to demonstrate visually the tremendous spread of its research activity.

A narrative section on highlights describes the work being done to develop diagnostic cancer tests and find methods of obtaining cancer immunity.

Over-all cancer death rates appear to be leveling off or decreasing in the United States. Death rates from cancers of the uterus, stomach and liver are decreasing, while death from leukemia and cancers of the lung, pancreas, kidney, and ovary are on the increase.

Free copies of the pamphlet may be obtained from the American Cancer Society office at 1517 South B Street, San Mateo.

From A Feminine Viewpoint...

By Mona Baker

"Art on the Fence" is the intriguing title of a most unique art show to be held in Daly City on Saturday and Sunday (Aug. 24, 25) at the Village Nursery School, 474 North Parkview. Included in the art exhibit will be work done by little pre-schoolers who have been attending art classes all summer conducted by artist Hortense Bullock. Also in the show will be paintings done by mothers from the Village Nursery School who have been in the art class taught by Mrs. Bullock since February. The summer art classes are not a part of the regular school curriculum. Because of her interest in children's art, Hortense decided to held the classes for youngsters during the summer months. Assisting Hortense have been four local girls who are members of Girls Scout Troop No. 70. They include Sharon Krus, Judy Hobson, Janis Carr and Margherita Harris.

We decided to drop by the school and see some of the work that will be shown.

Tucked away between homes on Parkview is the school which reminds one of a little Swiss Chalet with the gay floral decor at the entrance. Surrounding the school is redwood fence on which the paintings will be hung. Inside too, the walls of every room feature brightly colored murals of nursery rhymes, circus clowns and other gay little figures.

Busy as bees at small tables were a group of little youngsters from Daly City, Pacifica, South San Francisco and Colma. All summer long they have been coming every Wednesday morning. Showing an astonishing amount of originality and creative ability, they have fashioned hand puppets, carved animals of soap, created paper mosaic and finger paintings. All their work will be on display on the coming show. So if you haven't anything planned for the weekend do plan to drop by and take a peek. Also if you are interested in securing information about enrolling your youngsters in the Village Cooperative Nursery School for the coming fall term you may telephone Kay Matve at PL 6-8469.

Certainly deserving of the designation as "community leader of the week" is Hortense Bullock who has been volunteering her time to teach both the children's and mother's art classes.

Earning her bouquets too, is the fact that she painted all the colorful murals on the walls of the school representing hours and hours of volunteer time. She also worked one morning a week at the school as a volunteer mother and participated in all the group's fund-raising activities.

Although a new resident in the area, having lived here not quite one year, Hortense has also given of her time to other organizations. She was membership chairman of Pauline Brown PTA and is active in Calvary Baptist Church located on Mission Street.

The Bullock family, husband, John, and four children Chissa, Peter, Karen and David live at 1763 Sweetwood Drive in Broadmoor.

—★—

There's are art exhibit down Pacifica way this weekend too. Presented by the Art Guild of Pacifica and the Fuchsia Society the show will be held this Saturday (Aug. 17) at the City Hall. Opening the gala affair will be the Pacifica Sweethearts who are going to parade from Sharp Park School to the City Hall. Mayor Harold Feyge will cut the ribbon that will officially open the exhibit.

Almost one hundred paintings—watercolors, pastels, oils—as well as sculpture will be on display. Brightly colored fuchsia plants will compliment each painting. For a dollar donation a painting of a fuchsia by artist Sherri Thomas will be given away to some lucky person.

Highly successful were the recent auditions held by Director Patti Stoltz for new members of the Daly City Community Chorus. New members of the group include Betty Taft, Sidney Bronstein, Geri Thacker and Larry Carner from Westlake. Also joining the chorus is the first husband and wife team, Joyce and Bud Neal. They happened to be strolling past the Lincoln Park Clubhouse, heard the beautiful singing and decided to come in. They auditioned and are now also members of the chorus. Also official members are two provisional members, Joe Valczar and Ellen McNelley. New permanent accompaniest is Eva Madison who is organist for Vista Grande Christian Church in Daly City.

Family Getting Bored? Time To Start Projects

Bunny Gillespie

Over the past six weeks we've written of things to amuse you and your family at picnics, on the road, at vacation sites and in the Bay Area, with or without money.

But the time of the "long hot summer" is still with us, although we like to think the poetic statement is only half correct when referring to the Bay Area, and that the other inaccuracy can be dealt with.

If summer has reached the dragging-point for your offspring, consider the activities you enjoyed as a youngster, or even those grandma enjoyed (pre-TV, pre-Saturday and Wednesday matinees, pre-Recreation Departments.)

A child old enough to express boredom is a child old enough to get involved with a few projects, not necessarily the over-in-one-day type. A good summertime project is one which can be dived into and worked on with enthusiasm for a couple of days, left alone and then returned to with almost initial interest.

If the project is messy, have the youngster work when he need not put it away at the end of each work period. An unfinished job can be an unspoken invitation to renewed attention and that is, after all, the whole idea.

Our daughter currently has two projects "out," one will benefit the entire family and the other will make a nice addition to our art gallery. Your offspring, also, may enjoy compiling a

Family Album

A pot of paste, a suitable loose-leaf book and that assortment of snapshots, souveners and clippings can become a treasured family history with the aid of your child.

Organize the entries in chronological order and let him do the page arrangement, dating and captioning.

What might be a tedious, long-overdue job for you is fun for the kids. Expect a lot of time off for reminiscence.

Cartoon Book

If yours are littler people, turn them loose with some well-read magazines, scissors, paste and some sheets or album or binder paper and let them compile a cartoon book.

Fun to make and fun to peruse at any time. Good for a shut-in gift.

DC Gal's Recipe Printed In Sunset

As some of our eagle-eyed and alert readers may have already noticed, one local lass had the honor of seeing one of her favorite recipes reproduced in the July issue of the Sunset magazine. She is Mrs. Marie Bernnan of 198 Acton street, Daly City.

The culinary gem, on page 102, was listed as the main dish suggestion of the Kitchen Cabinet feature.

The introduction to the recipe read in part, "Some western families entertain house guests off and on all summer, and this means extra attention to menus, all around the clock.

"But no one wants to spend much time in the kitchen on lovely summer days. One solution is to hoard recipes for interesting dishes that are quick to prepare.

"Eggs baked in individual casseroles with ham, vegetables, olives and cheese, make a main dish for brunch, lunch or supper that you can easily

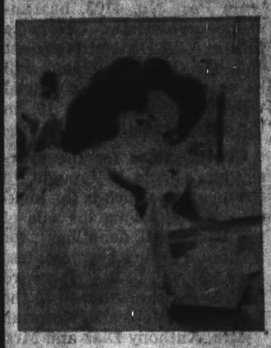
WHAT'S DOING
T. P. Coyne, your Telephone Manager in Daly City



Hello,
My name is Mary Parashis. I love living in Daly City! I have been one of your Service Representatives for a year. I am taking an order for new service. I always double check my information to be sure my subscriber will have the exact service he desires. When I take the order I must remember that our Accounting Department needs information for billing, Plant Department for installation, Directory for the listing and the Business Office must keep complete records of the entire procedure. We always do our best to give you the type of service you want, as quickly as possible, with the least inconvenience to you.

With an extension wallphone next to your workbench, you can stay on the job while you take or make calls. Sure saves a lot of steps.

It's always a good idea to teach your youngsters how to use the telephone at an early age. You never know when they might have to use the phone in an emergency. Perhaps one of the first things they should know is how to reach the Operator. She's always a willing source of help.

You'd be surprised how often people miss parts of a telephone conversation when the other party doesn't speak directly into the mouthpiece. It's a helpful point to remember whenever you make a call.

Old Dobbin's not the only one who knows about blinkers. Take a look in back of one of our service trucks and you may well see a bicycle, along with a beetle' iron. In plain talk, these are a canvas tool bag, and a hammer. We've nicknamed a lot of the equipment we use to serve you. So, if you hear a telephone man on a stick ask for his hand shoes, you'll know he's on a telephone pole and wants his gloves.

Bonsai Beauties To Cal Fair Flower Show

SACRAMENTO — Dwarf trees suggesting an Oriental landscape will be featured at the California State Fair Flower Show, Aug. 28 through Sept. 9. Called Bonsai (bone-sigh), the miniature trees are noted for their age, rarity and difficulty of cultivation.

In an age of freeways, astronauts and the slap-nappy semantics of "Tom Swifties," the quiet beauty of this century-old art form is a refreshing contrast. Bonsai is the Japanese word for the art of growing a dwarfed tree in a container to create a landscape effect in miniature.

Bonsai originated during the 12th century in China, but was perfected in Japan and is now considered a Japanese art.

Natural dwarf trees are the easiest subjects to shape into a display plant, according to Ben Sisson, noted Sacramento authority. "But this is actually cheating," said Sisson, "maintaining a diminutive size is part of the art." Fruit trees or conifers with short needles are suitable specimens.

Experts look for a hardy plant, sporting a heavy trunk, small leaves, and branches suitable for manipulation. Life span is also an important factor, as valuable display Bonsai may be 150 years old.

Since years of painstaking pruning, pinching, and wiring are necessary to direct the specimen's growth into the desired natural but artistic formation, Bonsai can easily become a lifetime hobby.

Dwarf status is maintained by constricting the plant's root system, transplanting at intervals. Careful watering and fertilization will also control growth. Small plants may be under 12 inches while others may reach a height of over 3 feet.

Artists avoid shaping the tree into a grotesque object. The ideal Bonsai is faithful to natural forms, and would never be exhibited with detracting decorations or figures.

Judging of the Bonsai class is scheduled for Aug. 29. Entrants will be vying for $750 in premiums, a portion of the $35,000 to be awarded flower show winners during the State Fair's 13-day run.

Entrants will display a collection of not less than nine Bonsai specimens which will be judged for artistic effect, scale, form, horticulture, age and rarity.

According to Francis P. Meagher, State Fair director in charge of floriculture, Richard Geisreiter, originator of the Sacramento Bonsai and Dwarf Tree society and member of the American Bonsai Club has been selected as judge for the Bonsai competition.

Lovely Average To Rule Cal Fair

Picking winners is a risky business, as any race track prognosticator will confirm. There is only one sure thing about the lucky girl who will be crowned 1963 Maid of California at the California State Fair and Exposition, Aug. 28 through Sept. 9—she will be lovely.

Though none of the beauties who come to Sacramento to compete for prizes and the honor of ruling over the gala goings-on at the State Fair are in any sense "average" looking, here is a picture of an "average" Maid of California contestant.

Judging by entries already received from counties all over the state, Miss Average Maid is 18 years old, and a college or junior college student. She stands a tallish 5 feet, 7 inches and measures a curvaceous 37-24-36.

Our mythical miss is likely to have blonde hair and blue or green eyes and weigh about 125 pounds.

Whether or not the 1963 Maid of California resembles this composite picture of her, she will receive a $500 United States Savings Bond, a $500 wardrobe of her own choosing from Joseph Magnin Co. and an expense paid holiday in Sacramento for the length of the Fair.

And whatever her exact specifications are, the 1963 Maid of California will be worth viewing. This is one case in which figures absolutely do not lie.

Instructors Needed For Medical Pgm

More instructors are needed in San Mateo county for the Medical Self Help Training Program, which will start its first public sessions on September 19.

Volunteers are wanted from every community in the county, particularly Burlingame, Daly City, Pacifica, San Bruno and South San Francisco.

Nurses, physical education instructors, medical assistants, laboratory technicians, teachers, hygienists and other people in the allied professions are needed for this instruction work. People who have passed the American Red Cross first aid course are also encouraged to participate in this volunteer activity.

For more information, interested volunteers should write or telephone Mrs. Helen Langfeld, United Voluntary Services, 218 Tilton Avenue, San Mateo, DI 3-3663.

District Prexy To Visit V.F.W. Aux.

Mrs. Mayre Albert, president of the Ladies Auxiliary to the Veterans of Foreign Wars Post No. 4103, has announced that Mrs. Georgette Carter, 12th District president and her inspection team will be entertained on her official visit, Monday, August 19, in the Post headquarters.

Contributions for the grocery box should be brought to the meeting, which is the kick-off date launching the sale of the boxes. All donations for the boxes, valued at not less than $25, will be used for ward parties for the patients of the Palo Alto Veterans Hospital.

Mrs. Anthony Diaz and Mrs. Albert conducted the August party and served sixty-six dozen hot doughnuts and punch after an evening of bingo and music.

Epiphany Guild Sets October Fashion Date

The thirteenth annual fashion show luncheon of Epiphany Guild will be held on Saturday, October 19, 1963, 12 p.m. in Sabella's Capri Room, Fishermans Wharf.

Mrs. Jack McLaughlin, chairman, and Mrs. George Woodall, co-chairman, have chosen Joseph Magnin's fine selection of fall and winter clothing for our viewing. Members of Epiphany Guild will do the modeling.

Reservations are $4 each and may be obtained from Mrs. Joseph Nuccio, DE 3-0527, and Mrs. Gus Candito, JU 6-6156.

TV and RADIO

By Mona Baker

If you have been dreaming about how thrilling it would be to attend a real Broadway opening of a play, dream no longer because this fall you will be able to—right from the comfort of your own living room.

A first for television—KPIX in conjunction with Westinghouse stations across the country will televise the opening of "The Advocate" starring James Daly and written by the new American playwrit, Robert Noah.

This unique step combining "live television with the excitement of a Broadway opening from West 54th Street in New York City should certainly have an impact on television programming. We hope it sets a precedent.

One of television's strongest drawing powers is immediacy—seeing events as they occur. Unfortunately the trend has been for televison programming generally to turn to films or taping shows.

Sport events for many years have been brought to television audiences "live." There is certainly no reason why cultural events of importance likewise should not also be carried "live."

We hope this televised Broadway opening is the forerunner of many more to come. If you like the idea write the program department of KPIX and let them know. Public opinion does carry weight in programming.

Calling all program chairman of local organizations — free tickets are available for your group to attend "The Tennessee Ernie Ford Show" which originates from KGO-TV's studios in San Francisco and is telecast coast to coast. New recording times for the show have been set. The program is taped every Monday, Tuesday and Wednesday at 11:45 a.m. For individual or group tickets write "Ernie Ford Show Tickets," KGO-TV, 277 Golden Gate Ave. S. F. indicating date and number of tickets wanted. Be sure to enclose stamped self-addressed envelope.

TV DATES TO JOT DOWN: The outstanding 2 part documentary series "Junkie" will be repeated on "Viewers Choice," KRON-TV, Aug. 18 & 25, 12:30 p.m.

Rocket expert, Dr. Wernher von Baun will discuss progress in space effort on "Focus on America" (Aug. 27, 10:30 p.m., KGO-TV).

Premiering this week, KGO-TV "90 For News" weekdays at 7:30 a.m.

Ole Mejico Is Theme For CSS Aux Show

"Ole' Mejico" will be the theme of the annual Estate Fashion Show to be presented by the Catholic Social Service Auxiliary of San Mateo County, on Thursday, September 5, commencing at 1:15 p.m.

The setting will be the gardens of the Hillsborough home of Mr. and Mrs. Judson G. Sherrill, at 440 Roehampton Road.

The fashions will be by Saks Fifth Avenue of Palo Alto. Al Williams will be the commentator. Lita Cansino and a group of Flamingo dancers will entertain. Champagne will be served on the garden terrace preceding the show. The decor will be Mexican with a Fiesta flare and the page girls will be in Mexican costume.

Mrs. Robert Waters, Jr. is general chairman with Mrs. Joseph Zem assisting as chairman of the models.

Other chairmen include Mesdames Frank Alioto, Adolph Pahl, Faxon Bishop, John B. Carufel, William Brown, Robert Flynn, Edward Trucco, Robert Tuck, R. A. Kenkel and Michael Carella. Mrs. Paul Friedenbach, chairman of prizes, announces that the gift of a jet plane trip to Mexico City, including four days accommodations, will be awarded some lucky person.

Mrs. Lachlin McKinnon, president of the Auxiliary, announces that the proceeds of this affair will cover some of of the pressing needs of the Catholic Social Service Agency in San Mateo County. Though the Agency is a member of United Bay Area Crusade, additional funds are needed to meet the increasing demands on its services.

Reservations may be made by calling Mrs. Clyde West of San Mateo at DI 4-7051. Tickets are $3.50 each.

DC Gal's Recipe

(Continued from Page 1)

prepare in less than half an hour . . ."

Mrs. Bernnan's recipe for eggs and ham baked in 8 individual dishes, as below, can be baked also in an 8-inch square dish. Serve each egg with some of the sauce on crisp toast, suggests the homemaker.

Baked Ham and Eggs

3 tablespoons butter or margarine
1 large onion, sliced
¼ pound ham, diced
1 clove garlic, minced or mashed
3 medium-sized tomatoes, peeled or chopped
1 to 1½ cups cooked peas, beans, carrots, corn, or a combination of the vegetables
1 tablespoon finely chopped parsley
⅛ teaspoon salt
⅛ teaspoon pepper
½ cup pimiento-stuffed green olives
8 eggs
½ cup shredded Swiss or Cheddar cheese

In a frying pan, melt the butter; add onions and ham, and cook over medium heat, stirring until onion is tender (about 5 minutes). Add garlic and tomatoes, cook slowly for about 10 minutes. Add vegetables, parsley, salt, pepper and olives. Turn into 8 baking dishes (about 10-ounce size.)

Break the eggs and carefully slip one into each dish. Sprinkle the cheese on top. Bake in a moderate oven (350 degrees) for about 20 minutes, or until the eggs are to your liking.

Mrs. Bernnan explains that the casseroles may be prepared ahead of time, to the point of adding the eggs.

Both Smices Join Drive For United Crusade

A second husband-and-wife team—Mr. and Mrs. Robert Smice of Daly City—has joined the 1963 United Crusade drive in San Francisco.

Those perennial Crusade workers, the Mortimer Fleishhackers, make up the other team.

San Francisco campaign chairman A. E. Schwabacher Jr. said that Smice, products representative for Columbia-Geneva Division, United States Steel Corp., will be chairman of "Come See" agency tours.

Smice will recruit, train and schedule 40 volunteer speakers to appear before a variety of organizations. In most cases appearances will be in connection with the Crusade's new film, "In Your Hands."

Mrs. Smice will recruit and train 50 volunteer guides to accompany groups on tours of Crusade agencies. Last year, 3,000 persons took such tours.

Smice is president of the Board of Mission Neighborhood Centers, Inc. His wife is active in Florence Crittenton Home auxiliary work.

Luncheons and Outings For DC Ladies Groups

Organizations being what they are, summer lends little respite from meetings and the planning of future events and projects for membership enjoyment and participation.

Gatherin last week at the Montrose-avenue home of their president, Mrs. Bernice Hamilton, members of the board of Women's Association of the Broadmoor Presbyterian Church enjoyed the fellowship of each other and the deliciousness of luncheon prepared by their leader.

Among those enjoying the noon-time repast were Mmes. Shirley Pappas, Evelyn Gebhart, Joan Peceimer, Ann Hollenbeck, Olive Smith, Charlotte Spruiell, Lois Floyd, Jean Suenderman, Pat Mattson, Margie Tweedie, Elizabeth Hopkins and Leah House.

The group, representative of the Association's four Circles and organizational offices, made tentative plans for a fund-raising dinner to be held in the fall and for the completion of the calendar of events during 1963.

The next membership meeting will be Sept. 3, following the sharing of a planned pot-luck supper.

The following day, members of the Cancer Dressing Group of Daly City's Crocker Chapter of the Order of the Eastern Star met for a similar social at the summer home of Mrs. Maude Hanselman at Boulder Creek.

After a taste-tempting luncheon, prepared under the guidance of hostess Hanselman and Mrs. Selma Darr, the group enjoyed games and relaxing chit-chat in the Santa Cruz Mountains greenery.

Later in the afternoon, the nearby summer-residence of Mrs. Edna Cosbie was the scene of additional hospitality and conviviality.

Among those who trekked to the woodlands were Mmes. Jo Rasmus, Elizabeth Moore, Jane Campbell, Isabelle Linden, Theresa Cano, Dorothy Stevens, Marion Rose, Julia Kessler, Grace Ginsberg, Isabel Baker, Nellie Brown, Clara Wecke, Darlene Honeywell, Bernice Cunningham, Isabella Malone, Edith Moore, Rose Wieland, Mae Fernandez, Lillian Fletcher and Catherine Morehart.

Also enjoying a day in the out-of-doors were Mr. and Mrs. John Cosbie, Mr. and Mrs. George Jester and Mr. and Mrs. Frank Darr.

The Cancer Dressing Group was back at work making surgical bandages to specifications last Monday, as they are the first and third Monday of each month . . . P.G.

Dinner Meeting

The Christian Business and Professional Women's Council will hold its monthly dinner meeting Monday, August 19th at 6 p.m. promptly at the Women's City Club, 465 Post Street.

Will Rose, President of Data International, Palo Alto, California, will have interesting data throughout his talk, from the Data Service as to how we may improve America's image and make new friendships around the world.

D. K. Mueller of Folgers Coffee will present interesting coffee facts.

All busines women are invited to come and bring friends. For reservations call MO 4-1517 or just come.

Pacifica Nursery School Summer Party

Parents of the sand box set have an opportunity to enjoy a social evening with other parents of pre-schoolers on August 27 at 8 p.m On this occasion the Pacifica Nursery School will hold its annual summer party at the home of Mrs. Ella Rechnitzer, the school's director, 1443 Serra Drive, Linda Mar. The public is invited to attend and can contact Alberta Sullivan, EL 9-3233, for further information.

The Pacifica Nursery School is a co-operative nursery and its services are available to families in Pacifica, Westlake Terrace, Fairmont, Westborough, Westview and Pacific Heights.

"Rich" Garden Club Meets Wednesday

A prouder and richer Pacifica Flower Friends Garden Club will hold their meeting Wednesday, August 14th, at 8:00 p.m. in the Moose Hall on Reina Del Mar in Vallemar.

The Club is proud of having won a second and $130.00 with their "Garden Corner" entry at the San Mateo County Fiesta. Special thanks and credit goes to the hard working and effecient members of the committee, chaired by Lila Phleg.

The August meeting will feature a "White Elephant" table in place of the usual plant table. The program will be a horticultural exhibit of flowers and vegetables. Members and guests are urged to bring their prize specimens.

Anniversary is derived from the Latin word anniversarius, meaning "to turn the year."

others.

Equipment required is a good white paste, an adequate supply of used (soaked off envelopes) postage stamps, a beat-up looking serving tray and some clear shellac.

Paste stamps in a helter-skelter arrangement onto the tray, let dry thoroughly and cover with shellac.

Fun to do and fun to use afterward.

Rock Gardening

A quiet spot in the garden can become a miniature Holland or Texas, depending on whether your storage area yields an unused windmill or a set of toy cowboys and Indians.

Have the children prepare the ground, wall it with rocks and create a scenic miniature. If they wish to plant, bird seed is a quick growing cover to combine with child-created sponge trees or parent-donated passe plastic flowers.

Tie-Ons

Old greeting cards become lovely little package tie-on cards when your artistic youngster goes to work on them.

If you've saved those Christmas or holiday greeting cards and just haven't the heart to toss them out, scissors (or pinking shears), a card punch and some yarn bits can be well used.

Fold the card so that the desired illustration is backed by an unprinted surface, cut the two sheets together, punch a hole at top or side and string with yarn.

If you're a note writer, some French fold cards may be salvaged for prettily decorated single-fold stationery.

Guys or Gals

With a little help from Dad, boys can turn wood or soap, plus a pocket knife, to happy hours of whittling or carving.

Soap figures are fun as bath-bribes for smaller tykes and soap shavings make a good bubble-blowing base.

Gals or Guys

Mom, if your love is knitting, crocheting, embroidering or stitching a fine seam, why not start little sister (or brother) off on the road to thread-needle street. (If you are snickering at the thought of boys sewing, remember who the foremost tailors and dressmakers are.)

A simple cross-stitched finger-tipped towel can be a source of family pride and, as prowess progresses, a lovely holiday, family or neighborly gift.

Arty Tykes?

For the careful kids in your home, how about one of those simple follow-the-number oils or mosaics, after an indoctrination with water colors, finger paints or collages.

For future Rodins, here's a recipe for made-at-home modeling dough: 1 cup flour; 1 cup salt; 1 tablespoon powdered alum and 1 cup of water.

Combine the first three ingredients in a large bowl. Add most of the water and mix well. If dough is too stiff to work easily, add more water. To color, add food coloring. Keep in tightly-closed jar.

Family Finals

And finally, stealing again from grandma, how about a family contest, ending the Sunday before school starts with a double-deck ice cream cone to the winner (and a single to the losers.)

Starting right now, have each member of the family start forming his own ball of used string or foil (no cheating, it's gotta be used and free from paper backing.)

The most gleaming collector is the winner.

It's Back To School

Hardly seems that the summer has started and already its time to go back to school. The papers are full of ads for merchandise for the student, custodians are beginning to wipe the dust off the desks and teachers are bracing themselves for a new onslought only three weeks away.

Back when we went to school, summer vacation lasted longer. School was out in mid-May, started up in mid-September. There was always a shortage of boys for a few more weeks as they worked in the harvest of fruit. In fact, football season was a disaster for the first couple of games.

On the other hand, mothers can hardly wait for that first day when they can sit down at 8:30 a.m. and have a cup of coffee without junior asking 'what am I going to do?' or 'Why Mommie?'

State Fair Gets San Mateo Exhibit

The first Junior division livestock entry from San Mateo County was received Friday at the California State Fair and Exposition, which will be held Aug. 28 through Sept. 9.

Libby Garrison, who belongs to the Woodside-Atherton 4-H Club, has entered three registered Hampshire sheep, four registered Southdown sheep and one market sheep. Libby lives in Woodside.

The Junior show will be held the first three days of the Fair's 13-day run. The annual Fat Stock Sale, in which Junior exhibitors will sell their prize-winning livestock to highest bidders, is scheduled for Aug. 29 at 7 p.m.

Other Fair events include: 13 night performances of professional rodeo, daily Quarter Horse and Thoroughbred racing except Sundays, and the Jimmy Durante Show, Aug. 30 through Sept. 2.

Alice E. Cudd Is Top Army Employee

Mrs. Alice E. Cudd, 123 Skyline Drive, Daly City, received an Army Outstanding Employee rating and certificate for her work as Secretary of the Operational Projects Office of Pacific Terminal Command at Fort Mason. The award was presented by Brigadier General Robert C. Tripp, Commanding General.

The View From ...Behind the Badge

Written and Edited by Daly City Police Department

Journey to Bayshore . . .

You drive to the place which was known until recently as Bayshore City. Actually, it is still known as Bayshore City, and probably always will be known by that name. In fact, it is about to come within the environs of Daly City.

As a part of Daly City, the Bayshore area rates services of all types. You are concerned with police services and crime hazards. You are also concerned with introducing said services into the area in a manner as amicable as possible. Specifically, you have no intention of invading the area, making numerous arrests, and "setting those people on the right track." You most certainly do not want to create this kind of impression.

At the same time you have to meet the business people, study burglary hazards, give them the police phone number, and generally let them know that you will be functioning in the area. These are the reasons for your visits.

And so you park your car and you and your partner start walking. You enter each business establishment and speak with the person in charge. You introduce and identify yourselves as Daly City Police Officers. You do not go in uniform because you are not yet responsible for the patrol of the area.

You give each merchant your card, and advise him of the police phone number, which is PLaza 5-4212. You tell them to post it by the telephone, and to use it to call for police service, should they require same, at any time after August 22nd.

The merchants express surprise at the visit, but most of them are polite and agreeable. From them you elicit data pertinent to their business-es. You list this information for future recordation in a business card file. The cards that repose in this file bear the name of the business and the location, the owners and operators, the emergency phone numbers, and whether a burglar alarm is in the place.

You advise these people about leaving night lights burning in their places, so that the beat patrolman can peer in during the course of his rounds. You also advise that there will be present in the neighborhood one marked radio car, operated by a uniformed patrolman. Also available is the Patrol Sergeant, and sometimes the motorcycles. In emergency situations, all of the police facilities now in Daly City will be made available immediately.

They ask about the Cow Palace, and you say that that situation is being studied by another detail and at other levels. They ask about postal delivery addresses, and you refer them to the Postal Authorities on that one. They ask about parking problems in front of their places, and you advise them that you will send the traffic Sergeant around to speak with them about their problems.

One merchant wants to know if he can still sell fireworks. You advise that it is against the law in Daly City. He accepts this with equanimity. You are offered much coffee at these places. Most people express satisfaction at the coming change. You remind them that there are certain to be growing pains during the transition period, but that you are certain everything can be handled friendlily and efficiently. They seem to agree.

You caution one man who was recently convicted of bookmaking. You ask him not to resume his activities. He agrees, and proclaims that his former arrest was all a mistake. You ask him to not conduct himself in a manner which might lead to a regretable second mistake of this type. He voices agreement.

And so you prepare to project patrol and investigation activities into the Bayshore area. Your people will know it largely as a patrol beat. You are expanding services and protection into the area. There is no "taking over."

Something for Everyone

By Samuel Chandler

"The Complete Book of Light Opera" is the kind of reference book that makes a visit to the library a pleasant experience. It contains plot synopsis and musical examples of over two hundred and fifty European and eighty-five American musical shows. Here one finds the stories that inspired Friml, Romberg, Kern, Gershwin, Richard Rogers, Gilbert and Sullivan and many others whose music is enjoyed around the world.

Another notable book from the reference shelf is Brookes' and Jacobs' "Poisons: properties, chemical identification, Symptoms, and Emergency Treatment." The material is clearly written to make available information needed to recognize and handle cases of poisoning. Since its publication, this book has proved valuable to many people.

One of the most colorful books in the reference section is "Harper's History of Painting." It is a story of painting from prehistoric times to the present. One of its major contributions is its emphasis upon the interpretation that painting, like all works of art, gives to the historical and philosophical values of their respective periods of history.

The new "Harper Encyclopedia of Science" edited by James Newman, contains nearly 4,000 articles by 450 scientists and engineers. Its purpose is to answer as much as possible thousands of questions — some sophisticated, some naive, some easily answered, some almost impossible to break down to an elementary level. This four volume set has received wide acclaim.

There are many other fascinating books in the reference section of Daly City's public libraries. To mention a few: "The Biographical Dictionary of the American Congress," "The Guinness Book of Superlatives," "The College Blue Book," "The Standard Dictionary of Folklore," "Ayer's Directory of Newspapers," "What People Wore," "The Dictionary of Foreign Words," "The Complete Book of Engagement and Bridal Etiquette," "Birds of America," "Jane's All the World's Aircraft," "Future Development of the San Francisco Bay: 1960-2020," and the "Dictionary of American Biography."

John E. Walsh Serves On USS Deliver

John E. Walsh, gunner's mate third class, USN, son of Mr. and Mrs. John W. Walsh of 595 Manor dr., Pacifica, is serving aboard the salvage ship USS DELIVER, a Pacific Fleet Unit, which recently participated in a joint U. What did ranges have in 1933 that they don't have today?

Answer: They had higher-priced gas and electricity ...because PG&E prices are 8% lower today than thirty years ago.* (So how come your bill is bigger now? Just because you're using more and better appliances these days.)

Ordinance No. 582

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:
WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the City; and
WHEREAS, a petition has been filed to change the zoning of the following described property; and
WHEREAS, all necessary proceedings, both before the Planning Commission of the City of Daly City and the City Council of the City of Daly City, as required by the Government Code of the State of California, have been duly and regularly conducted; and
WHEREAS, the City Council finds that public convenience and necessity and the general welfare of the City of Daly City require that the following change of zoning classification be established; and
WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to the health, safety, morals, comfort and general welfare of the City of Daly City, and is not designed for the exclusive benefit of the applicant for said zoning;
NOW THEREFORE, Ordinance No. 294 is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California, to R-3 classification from R-1 classification.
Said property is more particularly described as follows:
Lot 1 in Block 1, as designated on the Map entitled "Jefferson Park San Mateo County, California."
This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.
Introduced this 22nd day of July, 1963.
Passed and adopted as an ordinance of the City of Daly City this 12th day of August, 1963, by the following vote:
AYES, Councilmen: DeBernardi, Dennis, Pacelli, Verducci.
NOES, Councilmen: None.
Absent, Councilmen: St. Clair.
Anna Ohlendorf
City Clerk of the
City of Daly City
APPROVED:
Joseph J. Verducci
Mayor of the City of Daly City

Default has been made in the payment of the indebtedness secured by, and in performance of the agreements and convenants contained in, that certain Deed of Trust dated February 10, 1961, made, executed and delivered by CLEMENTE M. MORALES, JR. and BLOSSOM S. MORALES, his wife, as Trustors to CALIFORNIA PACIFIC TITLE INSURANCE COMPANY, a corporation, as Trustee for CLAYTON KASKO and BONNIE KASKO, his wife, as Joint Tenants, as Beneficiaries, which Deed of Trust was recorded on February 23, 1961, in the office of the County Recorder of San Mateo County, California, in Vol. 3938 of Official Records of said San Mateo County, at page 601.
2. LOIS B. SVENSSON is now the owner and holder of the beneficial interest in said Deed of Trust by regular assignments. PHILIP C. CRUMP has been regularly substituted as Trustee in said Deed of Trust in accordance with the provisions of said Deed of Trust, which substitution was recorded on July 31, 1963, and bears San Mateo County Recorder's File No. 22095-W for the year 1963.
3. The lawful owner and holder of said Deed of Trust and the debt thereby secured has applied to and directed the undersigned Trustee under said Deed of Trust, in writing, to execute the trust by said Deed of Trust created, and to make sale pursuant to the provisions thereof and in accordance with the laws of the State of California applicable thereto.
4. Notice of default in the performance of the obligations of Trustors has been recorded and copies thereof mailed as is provided for by the laws of the State of California, and said Trustee deems it best to sell the real property described in said Deed of Trust as a whole in order to fulfill the purposes of said Deed of Trust.
NOW, THEREFORE, NOTICE IS HEREBY GIVEN that on the 13th day of September, 1963, at the hour of 2:00 o'clock P.M. thereof, at the Middlefield Road entrance to San Mateo County Courthouse, Redwood City, California, PHILIP C. CRUMP, as Trustee, will, under and pursuant to the afore-said Deed of Trust, sell, at public auction to the highest bidder for cash in lawful money of the United States, the following described real property mentioned in said Deed of Trust, situated in Daly City, County of San Mateo, State of Caliotrnia:
PARCEL I:
The Southerly 10 feet, front and rear measurements, of Lot 14 in Block 11 as shown on that certain map entitled "HILLSIDE MANOR, MAP NO. 2, DALY CITY, SAN MATEO COUNTY, CALIFORNIA," filed in the office of the County Recorder of San Mateo County on August 27, 1948 in Book 29 of Maps at page 29.
PARCEL II:
The Northerly 15 feet, front and rear measurements, of the Southerly 100 feet, front and rear measurements, of Lot 8 in Block 11 as shown on that certain map entitled "Map of the Land of the Abbey Homestead Association" filed in the office of the County Recorder of San Mateo County on January 2, 1872 in Book 15 of Deeds at pages 2 and 3 and copied into Book 1 of Maps at page 14.
DATED: July 31, 1963.
PHILIP C. CRUMP — Trustee.

How to get your money out of a bank.
(Just knock.)

Visiting hours are Monday through Friday. And your money is free to leave with you at any time. That's one of the nice things about keeping your money in a bank. There are *other* nice things about it, too. While your money is in the bank it makes a lot of friends—for you. And when you want other banking services—loans, credit, financing—you get the service with a smile. If you want your money to get the very best of care, don't just knock on any door. Make sure you always head straight for the *bank*.

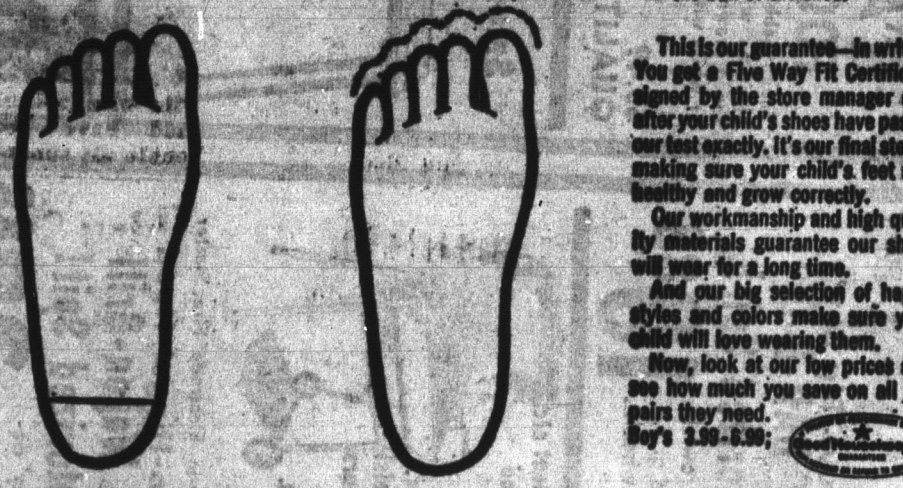
Our shoes must fit 5 ways before we let your child wear them!

1 The length must be expertly measured.

2 The width must be exact to support the foot without pressure.

3 The ball of the foot must match the ball of the shoe.



4 The heel must fit snugly, but without rubbing.

5 And there must be just enough room for growth.

This is our guarantee—in writing. You get a Five Way Fit Certificate, signed by the store manager only after your child's shoes have passed our test exactly. It's our final step in making sure your child's feet stay healthy and grow correctly.

Our workmanship and high quality materials guarantee our shoes will wear for a long time.

And our big selection of happy styles and colors make sure your child will love wearing them.

Now, look at our low prices and see how much you save on all the pairs they need.

One of the Bay area's most attractive free lance television and film personalities has been selected to do the commentary for Westlake Shopping Center's back-to-school fashion show set for 1 p.m. Saturday, August 17, on the big stage in the center's mall.

She is Barbara Spann, singer-actress-model, who with her radio personality husband, Owen Spann, operate a Sausalito travel agency.

Miss Spann, who sings regularly with the Dick Noel Singers, is a native of Charlotte, N.C. and has just returned from New York where she filmed some television commercials. A beautiful model herself, Miss Spann has appeared in many television commercials and has an excellent background in theatrical and television shows.

FASHION COMMENTATOR —Barbara Spann, who will do the commentating at the fashion show Saturday in Westlake. These stores will be participating in the fashion show: Jay Vee, H. Lieben, Casual Aire, The New England Shop, The Fashion, Penneys, W. T. Grant, Woolworth, Fassons, Lass and Laddie, Sue Scott and Cable Car Casuals.
